

# Nederland Independent School District

Robin Perez, Ed. D.  
Superintendent

February 18, 2019

Dear Citizens Advisory Committee Members,

On behalf of our students, faculty, administrators, staff and the Nederland ISD Board of Trustees, thank you for your dedication and commitment to our students, staff and community. The contribution that each member has made to Nederland ISD and our community is significant.

The presentation and recommendations to the Board of Trustees on February 12, 2019 was a culmination of many hours of research, facilities studies, discussion and thoughtful work. You are the most knowledgeable community members of both CAC process and the projects that have been recommended to the district. We know this has not been easy and your devotion is admirable.

Our citizens are the backbone of our school district, people we need and value. Please accept our sincere appreciation; your hard work has not gone unnoticed.

Again, thank you for the service you have provided in making a great district even better!

Sincerely,

*Dr. Robin Perez*

Robin Perez, Ed.D.
